

Mustang Summer Crew Recreation Program

@MT. SINAI ELEMENTARY SCHOOL

Join the exciting Mustang Summer Crew for a fun-filled recreation program for children entering grades kindergarten through grade 7. It may be at the school, but it is definitely summer COOL!!! We have activities for all ages. All children are welcome!!! Kids always love the activities arts and crafts, Mustang gym time and galloping around the playground. We learn karate, dance, physical fitness, fun with food and so much more. No one day is the same...it is our children we need to be creative. The crew plays interactive games, lots of fun crafts and creations, Special Spa day for the young ladies (we can help with summer reading assignments if you'd like) and of course there is a little computer fun. When it is hot outside we have lots of water fun activities. We will be splashing around and it is always important to listen to the counselors, but it is just as important that the counselors get their splash on. We have themed activities every week and the kids love when Friday rolls around because McNulty's is there to give our crew an ice cold treat. Ask your neighbors the crew is the place to be when summer rolls around. The kids have a great time catching up with friends and making new ones while they move through a structured rotation of various planned activities. We have soooo many counselors surrounding and interacting with the crew; making sure it is a safe and fun place to be.

This is a non-profit program where our children get to reap the benefits. We hire from within the community and all money raised is given back in the form of paid jobs for our teens, scholarships for college/vocational school, sponsorship of anti-drug education and various other events for our school-age children.

The program will run from Monday June 25th through Friday July 28th. The hours will be 9 AM to noon. The fees for these programs are outlined on the registration form. Payment in full is due upon registration. Payment may be made by cash, check, or credit card in the amount of \$495.00 (Visa/MasterCard). \$25.00 return check charge.
