

Mount Sinai Union Free School District

Bond Advisory Committee Application / Letter of Interest

The Mount Sinai Union Free School District has established a Bond Advisory Committee to develop recommendations for the Mount Sinai Board of Education toward consideration for conducting a Bond Referendum. The Bond Referendum will address long term facilities and campus infrastructure issues and items to serve the students and stakeholders of the District. Long range plans for the District include the need to repair, as well as possibly invest in new, facilities and resources our students need to learn and to be successful in the future.

Community members who are resident homeowners within the Mount Sinai Union Free School District are invited to submit a letter of interest toward serving as an At Large member of the Mount Sinai School District's Bond Advisory Committee. Members will be appointed to ensure that voices across the community are represented.
