

*Good afternoon,*

*This is a message from Mt. Sinai High School. It has come to the attention of the high school's administration via students and a few parent emails that an individual student has communicated an alleged threat on the high school building to take place on March 22. Please be advised that this threat has been thoroughly investigated by high school administration and our assigned Suffolk County Police Officer. As such, there is no evidence that this alleged threat is credible. The basis of these concerns seems to be a misunderstanding and rumor that continues to draw the attention of other students.*

*However, with the above in mind and as a precaution, we will have a police presence at the high school on Wednesday, March 22, upon students' arrival to school. Subsequently, please don't be alarmed should you see a marked police car parked in front of the high school Wednesday morning.*

*Thank you for your attention to this matter. Should you have any questions or concerns, feel free to contact me at the high school.*
