Lynne Kirchenko
District Treasurer

January 3, 2022

Dear Parents/Guardians:

The test kits have arrived! Mount Sinai has received an allotment of rapid tests from NYS for our students.

These tests kits are intended for use at home. Students will not be tested at school and testing is not required by the District. We are only offering these kits to assist families that would like to take advantage of the opportunity to test their child at home.

One recommendation for the use of this test kit is to begin implementation of Test to Stay (TTS). To fully implement TTS, it requires three tests during a seven-day period following a child's exposure to COVID-19 in school. The test kit provides two tests to help you get started with the TTS process should your child be quarantined.

Families may obtain a test kit for each student. If you complete the form on the next page before arriving at the high school cafeteria, your processing time will be greatly reduced.

Test kits will be available for pick-up in the high school cafeteria on Tuesday, January 4, and Wednesday, January 5, between the hours of 3:00 p.m. — 7:00 p.m. Be prepared to present identification upon arrival.

The District had also applied for an additional 2700 tests from the Suffolk County Department of Health. We were informed that we were approved for only 450 test kits. We will continue our efforts to secure additional test kits from the State and County. We look forward to retaining a number of kits to support the TTS process since our goal is to keep our students in school with in-person learning.

Sincerely,

Gordon Brosdal
Superintendent of Schools
